Weekly news and opportunities

Dear associates,

This week, we would like to share the latest developments from **BLUEBIO ALLIANCE** in the textile sector through the **TexMaTer project**. On **our network**, you can learn more about **Phycolabs'** innovative work in creating textile fabrics from algae. Also, check out the **funding** opportunities with **open calls** and **awards**. For more information and hyperlinks, please select this weekly news and opportunities.
